PARTY ON HAMBURG'S MOST ATTRACTIVE  
LAUNCH. THE MS JACOB.**

The elegant interior in Hanseatic colours combined with mahogany and sophisticated brass lends the MS JACOB her exceptional salon style and incomparable charm.

The MS JACOB is 22 metres long. Built in 1949, it underwent major refurbishments in typical Louis C. Jacob style in early 2016. The interior includes a stylish bar with a counter and generous lounge area with seats for up to 50. If you wish you can indulge in delicacies from the Jacob kitchen while you chat, savour our tasty fare and drink a toast or two.

It's a wonderful venue for conferences and weddings on the water. A unique backdrop for your event and unforgettable location for your party. Sail through the Elbe and Este exclusively with your guests and see the Hanseatic city from totally new sides.
